INTRODUCTION

This work is a compilation of the marriage records for Jackson County, Ohio, for the years 1816-1866. They are arranged alphabetically according to the grooms' full names. An asterisk (*) appears next to some of the dates. This denotes a license issued only--no marriage return was recorded.

The original records are located in the Probate Court on the first floor of the Jackson County Courthouse in Jackson, Ohio. These original records are arranged according to the date the marriage license was issued.

Great care was taken to insure accuracy during the transcribing of the names and the dates. However there is a possibility that some names may have been misinterpreted. For instance, the name "Ervin" appeared to be spelled Q-u-i-r-n. Upon closer examination and comparison of the license issued to the marriage return, the former was determined to be the correct spelling. Also the name "Libby" appeared to have been spelled S-i-b-l-e-y.

Other discrepancies were noted during the compilation of these records. A marriage license was issued to Henry Sanders and Jane Farrar on 1 Mar 1859. The marriage return was recorded as Henry Sanders and Jane Turner being married on 1 Mar 1859.

If anyone wishes to check the spelling or date of any of the marriages listed within this work, a copy may be obtained through the Jackson County Probate Court.
